

Industry Leaders in Digitization & Document Management for 25+ Years

WHO WE ARE

It is our mission to supply the best possible service at a reasonable cost for digital conversion of paper documents, bound materials, microfilm, and more. Our services span numerous fields, not limited to pharmaceuticals, publishers, universities, libraries. We provide on-site service in the United States, United Kingdom, and India.

WHY CHOOSE US

Qualified, Skilled & Experienced

We are experts in managing large projects requiring absolute confidentiality. Our services comply with SAS-70, SSAE-16, SSAE-18, FDA 21 CFR Part 11, and HIPAA.

State-of-the-Art Digitization Equipment

Our facilities house four high-speed microfilm & microfiche scanners, as well as twenty-one book & publication scanners. Selected industrial scanners include Kodak, Canon Book2net, CopiBook, Kirtas, nextScan & Mekel.

Precise, Rapid Delivery

We are committed to balancing excellent quality with speedy turnaround at reasonable prices.
